

TXL 10/28/2006

IN THE SPECIFICATION

Please amend the paragraph beginning on line 5 of page 1 as follows:

--This application claims the benefit under 35 U.S.C. §120 as a continuation (CON) of
U.S. Patent Application Serial No. 09/213,540, filed December 17, 1998, entitled "Data Delivery
Track," which is hereby incorporated herein by reference. ^{now patent No. 6,120,745} Serial No. 09/213,540 in turn claims
the benefit of U.S. Provisional application Serial No. 60/071,281, filed December 17, 1997,
entitled "Digitally Controlled Light Emitting Diode Systems and Methods".--
